Consolidation

Town Supervisor Paul Feiner is hopeful that a study on consolidating all three unincorporated fire districts will be successful and that a vote on the consolidation will take place next year. Some Edgemonters have raised concerns that they feel the consolidation wouldn't benefit them and would likely raise their taxes. Feiner said if the Greenville Fire District and Edgemonters decide it is not in their best interest to participate in the consolidation study, the town's newly formed commission on fire district consolidation will study the efficacy of consolidating just the Fairview and Hartsdale departments.
